

## Lab / Test - Equipment & Accessories

### JFW Industries

- Programmable, manually variable or fixed attenuators
- RF terminations
- RF switches
- Power dividers

[www.jfwindustries.com](http://www.jfwindustries.com)

### Jyebao

- RF Connectors: regular and ip67
- RF Cable Assemblies
- Calibration Kits

[www.jyebao.com.tw](http://www.jyebao.com.tw)

### Pasternack

- RF Cable Assemblies
- RF Adapters & Connectors
- Antennas • Amplifiers
- Waveguide • Components
- Calibration Kits • Couplers

[www.pasternack.com](http://www.pasternack.com)

## Masking & Protection

### Caplugs

- Product Protection Solutions
- Broadest range of product styles and sizes
- Caps, Plugs, Masking Solutions

[www.caplugs.com](http://www.caplugs.com)

## Military & Aerospace Lines

### Alter Technology

- Hi-Rel components engineering, testing, and procurement
- Automotive engineering, testing, and certification services
- Electronic Systems testing and CE Marking

[www.altertechnology.com](http://www.altertechnology.com)

### Merrimac - Crane A&E Microwave

- RF Microwave signal processing components
- Subsystem assemblies
- High reliability and space applications

[www.craneae.com/microwave-solutions](http://www.craneae.com/microwave-solutions)

### Omnetics

- Standard, Low Profile, Latching, and Single Row Micro-D
- High Speed
- Single and Dual Row, Latching, and Panel Mount Nano-D
- Strip and Circular Nano and Micro Connectors

[www.omnetics.com](http://www.omnetics.com)

### VPT

- DC-DC converters
- Point of load converters
- EMI Filters
- Front End Modules
